

Staff Mentor Induction Program Plan Crockett Early College High School

New and Returning Staff Member Induction Plan

To ensure new and returning ECHS faculty receive ample time to collaborate, plan, and support Crockett ECHS students, the following induction plan has been put into place:

- I. Welcome packets are sent to all ACC faculty the week before classes commence.
- II. Introduction meeting set week prior to ACC class commencement. (AISD) and High School Programs (ACC) staff will be present.
- III. All Early College High School professors will be invited to participate in applicable professional development/collaboration activities throughout the school year.
- IV. All ECHS students will be cohorted into program specific Advisory classes. ECHS Advisory staff are given weekly updates on student success and offered the opportunity to collaborate and submit feedback.
