

Crockett Early College High School (ECHS) P-TECH Construction Program Request for Fall 2021

Dear interested P-TECH ECHS Construction Program participant:

Thank you for your interest in the P-TECH *Early College High School* Construction Program at Crockett High School in Austin ISD! We are looking forward to adding new students to our talented cohort of exceptional students. By exceptional we mean students with academic and career goals, students who want to learn and explore new ideas, students who see education as their path to success, and students who want to push themselves to create their future. To read more information about the P-TECH ECHS Construction Program at Crockett before completing this application, please view our website: <http://www.crocketths.org/p-tech>

This Construction Program Request packet is for students seeking to join the Crockett P-TECH ECHS Construction program in the Fall of 2021. To be eligible, the student must currently be in the 8th, 9th or 10th grade.

Your completed Construction Program Request will help us better understand you as a candidate for the program and determine how we can support you and meet your needs. On the next page you will find Program Request instructions. All of the required information must be submitted before we can review your request. Please read carefully and follow all directions.

Submit completed Construction Program Requests to Crockett High School c/o Brittany Capps, ECHS Coordinator, by mail, email, or in person. Spaces are limited, so be sure to submit your Program Request by the deadline: **Friday, March 12, 2021**.

If you or your parents have any questions, please don't hesitate to call Ms. Merrel at 512-414-7836 or send an email to charla.merrel@austinisd.org.

We look forward to receiving your request!

Sincerely,

Kori Crawford
