#### Agenda Items

-Dashboard review-

Attendance is up, disciplines are down, Crockett is on track.

-Grading policy-

Concerns have been raised about all teachers following the 80/10/10 policy. There are systemic issues with the system - if a teacher falls behind, the system reverts to a 90/10. Teachers have been encouraged across the board to follow the 80/10/10. Students are encouraged to turn in their work prior to the deadline. Unofficially, teachers will accept late work. If problems persist parents are encouraged to reach out to the principals, who are aware of and working to solve the issue.

-Human Sexuality Curriculum-

Students are able to opt out of specific sections with parent's consent. Parents have been notified of content and have the opportunity to weigh in on the program. A copy of the curriculum is available at the library for parents to review.

Meeting is adjourned at 5:58
